At Guidance International School, we believe in nurturing young minds to become responsible, knowledgeable, and compassionate global citizens.

"Child is the father of man." – William Wordsworth

MOTTO

Seek | Respect | Share | Serve

VISION

To achieve global standards of excellence in education and to create lifelong learners who become better human beings.

MISSION

To foster a caring environment and cater to individual needs in order to develop the overall personality of students.

POLICY

We are committed to instilling in students a sound philosophy based on humanistic values. We strive for continuous improvement in the quality of education we offer, thereby meeting the needs of stakeholders and the community.

WHAT MAKES US UNIQUE?

At GIS, our educational philosophy centers on instilling moral values and fostering a sense of civic responsibility among our students, emphasizing their role in contributing to the nation's development. We guide students to uphold principles such as truthfulness, aiding the needy, and showing respect to both elders and peers. Our support extends to helping students recognize and harness their inherent strengths. GIS goes beyond the school premises, providing opportunities for students to engage confidently in various settings, fostering a culture of self-discovery. Embracing diversity, we create a conducive environment that ensures every student has an equal platform to showcase their unique talents. Our firm belief is that our role lies not merely in identifying winners but in actively participating in the process of making winners.

DIRECTOR'S MESSAGE

In the wake of a significant increase in the number of schools across Rampur and beyond, Guidance International School aspires to be a school with a difference. A school committed to creating new and progressive approaches to teaching and learning, our school is not just unique but also strives to leave behind a rich legacy that will be remembered for years.

We seek to create in the minds of all our treasured stakeholders a sense of who we are—a sense that reflects our diverse international environment.

A pulsating student life and a vibrant community exist within our four walls. By God's grace, myriad opportunities have been provided for students to participate in different events and bag memorable prizes

We also offer diverse sports such as Cricket, Martial Arts, Badminton, Chess, and Tennis, along with competitions and activities that enrich the learning process. Participation in various disciplines such as Quiz, Elocution, Essay Writing, and Creative Writing helps students build confidence and skills.

To top it all, intensive thinking activities are intelligently woven into the teaching pedagogy to ensure that group dynamics play a prominent role and that the classroom comes alive. Students are also motivated to conduct and host Annual Day events, Science Exhibitions, Food Fests, and Winter Carnivals.

As much as we impart education to meet the growing demands of educational and technological advancement, we also ensure that our students uphold Guidance's ethos of moral values, principles, and spirituality. Based on our seven pillars of education—Knowledge, Faith, Love, Joy, and Excellence—our deliberate efforts in providing a well-rounded education will surely earn us a lasting place in the world of education.

As we enter our third year of existence, we hope and pray that we continue to open dynamic new avenues for learning and that our mission continues to drive our growth and progress.

GUIDANCE INTERNATIONAL SCHOOL

Guidance International School is located in a lush green environment near Koyla Toll Plaza, Wajidpur, a semi-urban region of Rampur. The school is a co-educational institution pursuing academic excellence and holistic growth.

Our aim is to nurture citizens of India who will make the world proud.

KINDERGARTEN

The most important period of life is from birth to the age of six, where most of the learning happens. Guidance International School initiates this holistic journey, striving to have a profound effect on a child's future by providing a high-context learning environment through the CBSE curriculum.

It is a research-based curriculum that links early years to formal education. It offers a robust framework for effective learning while nurturing a child's curiosity in an enriched environment.

Our Kindergarten students explore different subjects by applying CBSE methodologies in their daily learning, which perfectly balances child-initiated and teacher-guided activities.

PRIMARY AND MIDDLE SCHOOL

The boundaries of knowledge know no limits. Guidance International School recognizes this and ensures that students receive rigorous exposure to group activities, seminars, visual learning, and project work.

Our teaching process helps uncover and harness the unique potential within each student. The aim is to enhance performance and encourage students to be trailblazers in all fields.

The medium of instruction is English. Students begin learning their second language from the pre-primary level. Our educational approach extends beyond bilingualism; our students have the opportunity to opt for a third language from Class 6th onwards.

Special Programmes

Keeping students' overall development in mind, we have incorporated various enrichment programs into our curriculum. This has brought variety and excitement into learning, making it enjoyable for students.

Academics

Library: A hub of knowledge offering diverse resources to foster intellectual growth and support success in today's information-driven society.
Computer Lab: Interactive sessions introduce students to basic computer skills and concepts through engaging, age-appropriate methods.
Math Lab: Hands-on activities help students enjoy and understand mathematics by solving real-life problems.
Science Lab: Experiments deepen students' understanding of scientific concepts, sparking curiosity and hands-on learning.

Competitive exams

With the aim of promoting English, Science, Mathematics, and logical reasoning, Guidance International School has been instrumental in encouraging students to participate in: Rampur Sahodaya Math Olympiad, NASO Olympiad Exams, Spell Bee Competitions, Vedic and Abacus Programs (to enhance mathematical skills and remove math phobia in students).

Extra curricular and co curricular activities

Field Trips: Offer hands-on learning, real-world exposure, and experiences that enrich curriculum understanding.
Art & Craft: Boosts creativity, confidence, decision-making, and collaboration through various artistic activities.
Sports: Encourages students' physical and mental well-being through active participation.
Special Days: Foster joyful learning, community bonding, and meaningful reflections through celebrations.

MONTHLY COMPETITIONS

Every month, our school organizes class competitions and inter-house competitions, offering students numerous opportunities to showcase their talents and skills. These events serve as a platform for students to build confidence and take their first steps toward achieving greater milestones in life. The competitive spirit nurtured through these activities fosters personal growth, teamwork, and a drive for excellence. Additionally, our students actively participate in inter-school competitions held at various reputed institutions across the city.

VALUE EDUCATION CLASSES

Value Education classes are an integral part of our curriculum, where moral values are instilled through Islamic principles.

Our school culture includes a wide range of enriching activities, such as: Teacher appreciation programs, Respect-building initiatives, Student potential development. These initiatives not only equip students with valuable life skills but also foster unity, teamwork, and collaboration.

Through special assemblies, students develop social skills and the confidence to articulate their thoughts in front of a large audience. Additionally, these gatherings help discover and nurture hidden talents among students.

SPORTS

Guidance International School provides a dynamic platform for physical activities, recognizing their pivotal role in shaping students' lives.

These activities foster productivity, discipline, and a balanced lifestyle, contributing to the overall development of students.

With a strong emphasis on active, physically fit, and well-trained students, the school offers a wide range of sports, including: Cricket, Badminton, Basketball etc. Through these sports programs, students not only improve their physical well-being but also develop essential life skills such as teamwork, perseverance, and leadership.

ACTIVITIES

At Guidance International School, our primary goal is to foster the comprehensive development of students. We recognize them as the most valuable resource of a nation. We cultivate the potential of young minds by exposing them to a diverse spectrum of knowledge through inspiring activities.

Our carefully curated activities include: Rhyme Time, Poster Making, Show and Tell, Debates, Calligraphy, Flower Decoration, Photography etc. These activities serve as a platform for students to explore their interests and discover their passions.

SPECIAL ASSEMBLIES

At Guidance International School, mornings are optimized through thoughtfully planned assemblies, which are an integral part of our school schedule. These assemblies are designed to: Instill moral values, ethics, and discipline, Nurture various life skills in an engaging way, Encourage community bonding and teamwork, Build students' confidence in public speaking By addressing topics such as respect, responsibility, and teamwork, these assemblies help build character and prepare students for future challenges.

ASSESSMENT

Our effective assessments provide valuable feedback to students, helping them analyze their understanding and areas for improvement while enabling teachers to refine their instruction.

We conduct assessments through three methods:

1. Formative Assessments – Interactive activities like discussions, quizzes, and brainstorming with immediate feedback.
2. Interim Assessments – Includes projects, class tests, essays, and assignments, allowing students to improve after feedback.
3. Summative Assessments – Formal tests conducted at the end of each term to evaluate overall progress.

FACULTY :

Guidance International School is run by a team of dedicated professionals under the Guidance Educational Trust, established in 2022. Our faculty consists of highly skilled and student-friendly educators who focus on the all-round development of students. Teachers create an engaging and stimulating environment that inspires curiosity and a love for learning.

Starting as a humble school in Koyla, Rampur, our institution has steadily expanded and now offers education up to Class 12, with integrated preparatory courses for NEET, JEE, and IIT foundations.

Equipped with modern facilities like an amphitheater, we provide a robust platform for academic excellence and co-curricular growth.

Through dedication, innovation, and a commitment to excellence, Guidance International School continues to empower students, nurturing their academic, artistic, and creative talents to help them become individuals of character, vision, and resourcefulness.
